## Product Description

### Asencio Mk2

Elevate your living space with the Asencio Mk2 gas fire. Lined with a reflective black enamel interior, its mesmerizing flames and realistic log set create a stunning focal point. This beautiful gas fire boasts our latest Integrated Flame Burner Technology for a seamless, natural flaming logs effect. Available in either our innovative slide control system offers simple operation and convenience, or operated by a fully automatic remote control system, allowing you to select the times you want the fires to turn on and off. The remote control option also includes a thermostatic setting to pre-set your desired room temperature and allows you to effortlessly adjust the flame intensity and heat output to your desired setting.

Experience the perfect blend of style and comfort.

Installation is suitable in to most standard chimneys.
