## Product Description

### Celena MK3

Elevate your living space with the Celena Mk3 gas fire. Lined with a reflective black enamel interior, its mesmerizing flames and realistic log set create a stunning focal point. This beautiful gas fire boasts our latest Integrated Flame Burner Technology for a seamless, natural flaming logs effect. Available in either our slide control system offering simple operation and convenience, allowing you to effortlessly adjust the flame intensity and heat output to your desired setting or a fully automatic remote control system that allows you to select the times you want the fires to turn on and turn off automatically. It also includes a thermostatic setting to pre-set your desired room temperature. Experience the perfect blend of style and comfort. A wide range of fascia options is available for this luxury gas fire.
