## Product Description

The Peniche

Made to Measure Available

The characteristic darker veins, intermingled with fossils of plants and animal life all add up to the beauty of this natural stone. Blooms and whisps of fossilised leaves are not considered defects but part of the experience.

Pictured here in Portuguese Limestone with Honed Granite Slips, Aquila Multi Fuel Inset Stove with a Quadrant Trim and a Honed Granite, Slabbed Hearth. The Peniche is also available made to order in the following natural stones;

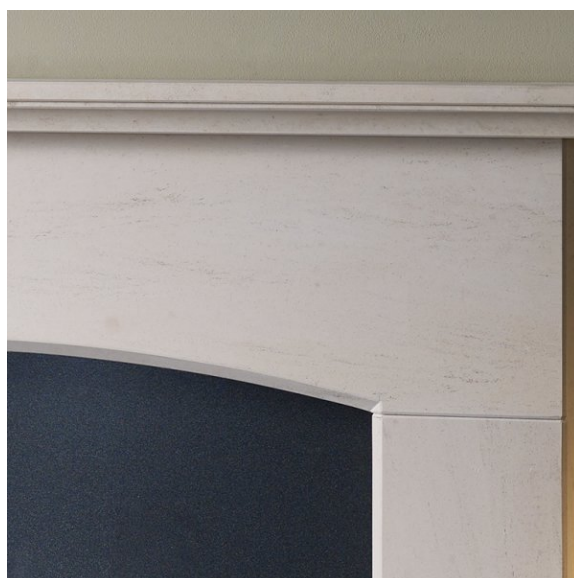

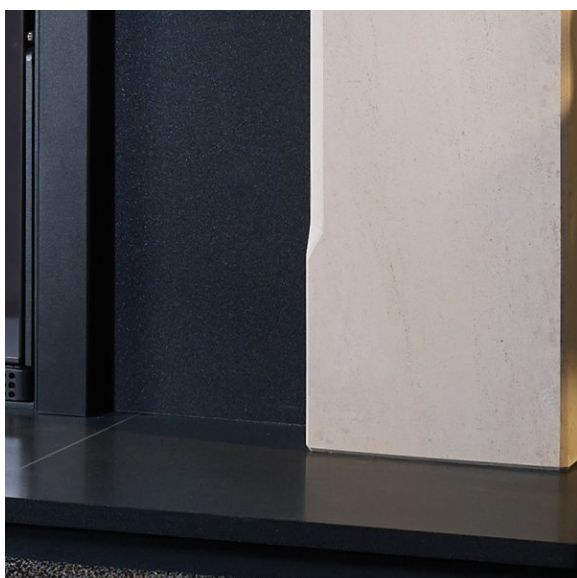

Aegean Limestone

Corinthian Stone

Prefer something a little more practical?

The Peniche can be supplied in 54" as a full suite in Tuscan Pebble, Barley White, Regal Stone or Perla Micromarbles. Popular due to their easy wipe-clean finish and a great affordable choice if you would like an even and consistent stone finish.
