

ELEMENT 

Element4 Summum 140 4/S

Element4

RRP from £8838 (Contact us for our discounted price)

Product Description

This 4 sided gas fire is sure to make a statement in any room, even when turned off!

This fire will need to be installed into a false chimney breast, also known as a firewall, made from 1000 degree rated materials. The construction of this wall is a specialist task and should not be carried out by an inexperienced gas engineer.

We offer a full design service and can build your vision from start to finish.
