## Product Description

Element4 Summum 140 F Bio Ethanol Fire - COMING SOON TO STORE

The Summum 140 F Bio is a frameless bioethanol fireplace designed for a seamless, modern aesthetic. With ultra-realistic flames and an efficient, clean-burning bioethanol system, it provides the warmth and ambience of a real fire without the need for a chimney or gas supply.

Sleek, Frameless Design – A minimalist, built-in look that integrates beautifully into contemporary interiors.

Ultra-Realistic Flame Effect – Advanced burner technology delivers tall, natural-looking flames for a cosy atmosphere.

100% Efficient Heating – All the heat stays in the room, with no energy lost through a flue or chimney.

Clean & Sustainable – Bioethanol fuel burns with zero smoke, soot, or ash, making it an eco-friendly choice.

Flexible Installation – No gas connection or flue required, allowing easy placement in homes, apartments, and commercial spaces.
