Product Description

1220mm (48") Complete gas fireplace available in Manila or White micro marble with Standard Lipped hearth.

Featuring a landscape, glass fronted fire integrated within a stunning marble surround with realistic glowing log bed. The gas fire provides 4.6kW of heat with an impressive 75% efficiency.

Flat wall fix installation directly into a pre-cast flue opening with no need for chimney breast or lintel work -pre-cast spacer frame is not required for Class 1 & 2 openings.

Modern alternative to an outset/slim line inset gas fire on a pre cast flue.

Available as engine only.
