RRP £1800 (Contact us for our discounted price)

Product Description

Farum

This free-standing gas fire is made of black steel sheet. The steel sheet and the large glass panel give this gas fire a tough look. This Faber fire has a Faber Embarded Burner®, so you can enjoy beautiful flames.

☒ A Faber fire with a simple, minimalist steel design at a good price.

☒ You no longer have a permanent gas connection or you'd rather not be dependent on one, but you'd still like a gas fire in your home? Sure! These fires are suitable immediately for use on propane gas or biopropane gas.

☒ The option to personalise your fire or to create a better match with your décor. You can choose a log set or white Carrara pebbles as decoration, both are supplied.

☒ You can also choose between a black steel or a slatted back wall at no additional cost.
