## Product Description

The compact Gazco Huntingdon 20 gas stove's proportions make it perfect for British fireplace openings, whilst its highly efficient 2.3kW heat output easily creates a warming atmosphere in standard sized rooms. Producing dancing flames over a realistic log fuel bed, this stove is offered with Standard and Programmable Thermostatic remote controls, providing real fire ambience at the touch of a button.

Presented in either Matt Black, Matt Ivory or Ivory enamel finishes, the Huntingdon 20 lets you choose a colour that best suits your home. Further expanding the styling options available, this elegant stove is also offered in both clear door and tracery versions.
