## Product Description

A popular stove in the Gazco range, the Huntingdon 30 gas stove successfully combines refined styling with efficient heating technology. The Huntingdon 30 gas stove is available in a choice of three colours. This authentic gas stove also features the option of beautiful tracery windows, that frame the flame picture perfectly, giving great warmth and style to any interior.

Features realistic log fuel effect, with a glowing ember bed feature for the ultimate real fire ambiance.

The Huntingdon 30 gas stove comes with manual control or, for total ease and convenience, upgrade to one of Gazco's command remote controls.
