## Product Description

The largest model in the Gazco Huntingdon range, the Gas Huntingdon 40 gas stove is perfectly at home in big open fireplaces or spacious interiors.

Presented in a three finishes; Matt Black, Matt Ivory and Ivory enamel, the Huntingdon 40 gas stove can be chosen with a tracery door for refined style or clear door for an uninterrupted view of the realistic log bed and rolling flames, allowing you to select the styling that fits your décor.

For added convenience, the Huntingdon 40 can be upgraded from manual operation with a choice of optional handsets for remote control as well as programmable thermostatic and timer functionality.
