

Gazco Radiance 135R Edge

Gazco

RRP £1149 (Contact us for our discounted price)

Product Description

Presented as the frameless Edge, the Gazco Radiance 135R Inset electric fire forms a striking hole-in-the-wall focal point – with its flawless lines and pure view of the mesmeric amber or blue flame effects.

The Inset Edge's streamlined design requires only a 180mm* pre-constructed cavity for installation, allowing your home's interior to both frame and enhance this ultra-contemporary fire.

With a choice of fuel bed, the Radiance Inset electric fire can be tailored to suit your home.
