RRP from £5339(Contact us for our discounted price)

Product Description

Surrounded only by your interior décor, the Reflex 105 Edge gas fire provides the ultimate in contemporary fireside ambiance, with nothing but the expansive flame picture on show.

All Reflex fires come with a Programmable Thermostatic Control, the Gazco Harmony10. Gazco's Harmony10 control system gives you complete control over the Reflex 105's features. Ignite and adjust the front and rear flames, along with the brightness of the ambient EmberLight LED fuel bed. Program the fire either thermostatically or with daily scheduling to suit your lifestyle.

Dancing flames. A glowing ember bed. Logs that look as real as, well... the real thing. These are all the elements that make the landscape Reflex 105 so realistic, you may find it hard to believe it's a gas fire. And with its wealth of styling options, the 105 gives you the freedom to tailor your fire to your home. So whatever your tastes – you will experience the extraordinary
