## Product Description

Demonstrating the very latest in gas fire technology, the Riva2 600HL grants you beautiful flame visuals, high efficiency heating and versatile styling options. Tall flames dance among a realistic log bed for a truly natural looking fire, with non-reflective glass ensuring a crystal-clear view.

Fantastically versatile, the Riva2 600HL's convenient proportions make this conventionally flued gas fire equally well-suited to modern or traditional interiors – fitting perfectly into 22” chimney openings.
