Product Description

Offering the best technology and an efficiency of up to 80%, the glass-fronted Gazco Riva2 750HL is the latest gas fire to join the much revered Riva2 range.

Designed to fit into standard 36" chimney openings, this stunning gas fire requires no additional flue liner when installed into an existing masonry chimney – a time and money saving option for many homeowners.

With a striking log-effect fuel bed and realistic glowing ember effect, this beautiful gas fire provides increased impact, effect and style, whilst the flames can be controlled with the Programmable Thermostatic remote control allowing you to set a programme for your fire or to maintain a desired room temperature and ensure a warm welcome, creating the perfect ambiance.
