RRP £1769 (Contact us for our discounted price)

Product Description

The Stockton2 Medium Electric stove is the largest model in the range, and adds instant presence and fireside glow to any part of the home.

This classically styled stove features Gazco's Chromalight® Immersive LED technology, which means you can choose from three different flame settings and a host of ember bed up-lighting settings depending on your mood. The advanced thermostatic Eco Remote grants total control over this electric wood burner, including its programmable thermostatic ambient heating function.
