Product Description

Available in the Studio 2 size, this dual space gas fire is a much desired solution in having the best of both worlds. With a wealth of frame options to choose from, the Studio 2 Duplex gas fire can be styled completely independently on either side to maximise the potential of your own decorative tastes.

To further enhance the many styling options, the double-sided Duplex gas fire offers the additional choice of two firebox linings; contemporary vermiculite or timeless black reeded – both of which offer a unique and distinctly different look for your Duplex fire. Sporting a stunning hand-painted, log-effect fuel bed complete with subtle glowing ember bed and giving a high efficiency rating of up to 92%, the Studio 2 Duplex gas fire not only provides an impressive visual focal point in two rooms, it also produces an impressive 7.9kW heat output.
