## Product Description

The Kohlangaz Delamere Plus high efficiency gas fire boasts an amazing 68.3% energy efficiency and can be installed in to almost any chimney or flue, including pre-cast when fitted with a 3" rebated fire surround.

This open-fronted gas fire features a highly realistic coal fuel effect and is available as a manual or slide controlled fire. A pebble fuel effect is available as an optional extra.

The convenient control slide system is located on the top right-hand side of the fire. Push and hold the lever down to ignite and move it up and down to adjust the flame height and heat output.

Can be teamed with any trim, fret or fascia from the Kohlangaz Accessories range.

### Features
