Product Description

Description

If you're looking for a gas fire with efficiency in mind this has to be the product for you. The Kohlangaz Gosford HE glass-fronted gas fire features our most realistic full depth coal effect fuel bed and boasts an incredible energy efficiency of 86.3%.

The convenient control slide system is located on the top right-hand side of the fire. Push and hold the lever down to ignite and move it up and down to adjust the flame height and heat output.

With up to 4kW output the Gosford HE keeps your heat high and your fuel costs low.

You can choose your preferred trim and fret combination to suit your décor.

Features

- ☑ Full depth high efficiency gas fire
- ☑ Radiant & convected heat
- ☑ Coal fuel effect
- ☑ up to 4kW heat output
- ☑ Slide Control or Manual Control operation
- ☑ Wide choice of trims, frets, & fascias
