

Wildfire Ceralis

Wildfire

Product Description

The Ceralis is a powerful slimline appliance that will fit into all flue types. A spacer is also available to enable it to be fitted into shallow precast flues. The realistic fuel bed boasts a powerful flame picture for its size making the Wildfire Ceralis the obvious option when the flue available limits your choice of fire. The Ceralis is available in manual and slide control with coal and pebble fuel bed options. This slimline fire is a stunning appliance which makes it the first choice for your precast flue.
