

Wildfire Cressida

Wildfire

Product Description

The Cressida HE is a high efficiency glass fronted appliance suitable for Class 1 and Class 2 flues.

One of the most powerful gas fires in the Wildfire range, with its deep bed and powerful output this appliance provides the ultimate in performance and style. The flagship Cressida HE is supplied in either manual or slide control. The slide control features the latest patent pending Direct Slide technology.

Remember, once you have chosen your appliance, you can decide how it will look by selecting an all in one fascia or trim & fret option.
