

Wildfire Ravel 400C Gas Stove

Wildfire

Product Description

The Ravel 400C Stove is a stunning addition to any open fireplace. Based on the proven under-log burner system of the highly successful Ravel gas fire. This contemporary gas stove version features crisp and clean lines only possible with the light weight aluminium extrusion employed in this design. Suitable for use with Class 1, Class 2 and precast flues.

This unique burner system allows the fire to be turned to low whilst still retaining an impressive flame effect.
