Product Description

S-1250 Media Wall

Our pre-built media wall suite is crafted in the UK using premium-grade Egger boards in Smooth White with Acoustic Oak panels. The media wall suite comes in three easy-to-assemble parts, making installation simple. Our design incorporates a log storage compartment, and a TV recessed compartment with a cut-out rear panel to flush-mount your TV.

The Suite package includes our Commodus E-VR s1000 electric fire with highly detailed woodland logs fuel effect.
