Product Description

Using cast iron for the door and heavy gauge steel for the body, Gas Stockton2 stoves combine simple, understated lines with Gazco's superb living flame technology.

Both Small and Medium sizes provide superior flames, with carefully positioned flame ports ensuring a varied and natural display amongst the hand painted logs.

Stockton2 stoves can be upgraded with either a Standard or Programmable Thermostatic remote control if desired, and are available in either conventional or balanced flue versions to suit a variety of installations.
